

I am writing to object to Sinclair Broadcasting's decision to force its stations to air anti-Kerry documentaries. It is a frightening--and surely illegal--decision for Sinclair to use its publicly mandated airwaves to force its subject stations to comply with its own private corporate political bias. Sinclair uses the public airwaves free of charge, and is obligated by law to serve the public interest, not a chosen segment of the public. Sinclair's actions show why we need to strengthen media ownership rules not weaken them. They show why the license renewal process needs to involve more oversight by the FCC. Thank you for guarding the public good!
